- B. <u>Termination</u>. This Agreement may be terminated at any time by mutual agreement of the Member Companies.

ARTICLE 10 - DISPUTE RESOLUTION

Any controversy or claim between the Association and a Member Company arising out of or relating to the Member Company's membership in the Association, whether arising during or after the Member's membership in the organization, which is not resolved within ten (10) business days following delivery of the Association's or Member Company's written notice of intent to arbitrate, shall be determined in arbitration in accordance with the International Arbitration Rules of the American Arbitration Association ("AAA") before a single impartial arbitrator selected by the Association from a list of ten (10) nominees proposed by the AAA from its roster of arbitrators for international arbitrations. The place of arbitration shall be New York, New York. The language of the arbitration shall be English. APPENDIX A

TERMS AND PROVISIONS REGARDING AFFILIATION OF SELLERS OF TRAVEL

Sellers of Travel which comply with the terms and provisions set forth in this Appendix A may become "Affiliated Travel Sellers" and be included on the Association's Master List of Sellers of Travel. Affiliated Travel Sellers are not members of the Association, but shall have the rights and responsibilities set forth in this Appendix A and in rules applicable to Affiliated Travel Sellers which the Association may adopt and modify from time to time.

- 1. <u>DEFINITION</u>. For purposes of this Agreement, a Seller of Travel (hereinafter "Travel Seller") is defined as any person, entity or department of an entity that is engaged in the business of selling travel or travel related services.
- 2. TRAVEL SELLER FEES. An application fee of U.S. \$80.00 and an Annual Travel Seller Fee of U.S. \$219.00, the levels of which may be changed from time to time by the Association, shall be collected for each location at the time of application. Travel Sellers notified of listing during the first nine (9) months of any fiscal year shall pay the full annual fee; Travel Sellers notified during the last three (3) months of any fiscal year shall pay the full annual fee which shall be credited for the full ensuing fiscal year. Travel Sellers Fees (non-refundable) shall be collected for each location on or before the commencement of each fiscal year and the Association shall thereafter promptly give notice to any Travel Seller from whom it has not received an Annual Travel Seller Fee. Such notice shall include a final notice for payment, and failure to remit within the time specified will subject the Travel Seller concerned to automatic termination without further notice. Reinstatement can be effected, as of the date of postmark of the delinquent payment, by mailing to the Association the amount of such payment, plus a sum equal to one-half the Annual Travel Seller Fee; said sum being acknowledged by the Association and by the involved Travel Seller as constituting liquidating damages for such delinquency to be applied because the amount of actual damages would be difficult, if not impossible, to ascertain.
- 3. <u>CONSIDERATION OF APPLICATION</u>. An applicant for listing shall submit a completed application, in a form prescribed by the Association, and tender payment of the application fee and the Annual Travel Seller Fee. When an

Original Page No. A-2

applicant has complied with the conditions set forth herein, its name shall be placed on the Master List of Sellers of Travel and it shall be promptly notified of that action. In the event an application is denied, notice shall be given containing the reasons for such denial.

- 4. PLAN FOR SECURING PERFORMANCE OF LISTED TRAVEL SELLERS. The Association will arrange coverage to secure the performance by Affiliated Travel Sellers of their obligations to Members by either engaging a bonding company or establishing a Security Fund under the direction of an Administrator. Such Plan may, from time to time, be changed by the Association. Proof of claims against an Affiliated Travel Sellers shall be filed in accordance with such instructions as are issued by the Association from time to time. Such claims shall be for the net amount of sales. Any remuneration due to the Travel Seller after a default situation shall revert to the Administrator paying the claim as salvage.
- 5. <u>CONDITIONS FOR TRAVEL SELLER AFFILIATION</u>. The Conditions governing the relationship between Affiliated Travel Sellers and Association Members are set forth in CLIA's new member kit and, upon request, are available for an applicant's advance review. These Conditions are as follows:
- (a) <u>ACCOUNTABILITY</u> You are responsible to account for proprietary documents of Member Cruise Lines and to maintain records relating to Member Cruise Lines' transactions. Such accounting and records will be available for review by the Member Cruise Line concerned during normal business hours.
- (b) <u>TICKETING, REMITTANCES, AND REMUNERATION</u> In accordance with each Member Cruise Line's policies.
- (c) PROMOTION You may display the CLIA seal on your promotional pieces related to the development of the business of Member Cruise Lines and are encouraged to do so. Of course, such promotional pieces should conform to truth and good taste. You are responsible for the accuracy of your promotional pieces and for compliance with applicable governmental requirements. CLIA will make every attempt to assist you when and where possible. The CLIA seal, trademarks, intellectual property and marketing, promotional or educational materials and information created or developed by CLIA may be used only in connection with the marketing and promotion of cruises of Member Cruise Lines, and for no other purpose, including marketing or promotion of any other cruises or non-cruise products or services. Affiliated Travel Sellers may not sublicense, assign or provide such seal, trademarks, intellectual property, materials or information to

Original Page No. A-3

any third parties, including affiliates or associates, without CLIA's written authorization.

- (d) <u>CHANGES AFFECTING THE STATUS OF TRAVEL SELLERS</u> In order to assist us in the accurate maintenance of our records, promptly advise us of any changes which alter the data you have provided in your application. If a change of ownership occurs, the new owner must meet the requirements for Travel Seller listing. A change affecting ownership may require payment of a new Annual Travel Seller Fee, as set forth in the Statement of Policy and Procedure on file and available for review at the principal office of CLIA and at the offices of each Member Cruise Line. We will advise you further of those instances as they may become applicable to you.
- TERMINATION OF YOUR AFFILIATION (e) Whenever requested by you, your Travel Seller affiliation can be terminated. To insure a request for termination is accurately transmitted, please notify us in writing. Unfortunately, your Annual Travel Seller Fee cannot be refunded. In addition, any of the following circumstances may, in the sole discretion of CLIA, result in an involuntary termination of affiliation without refund of your Annual Travel Seller Fee: (1) bankruptcy; (2) insolvency; (3) failure to effect timely payments to the Member Cruise Lines and/or timely refunds to your clients; (4) absconding; (5) the mishandling of funds or proprietary documents exchanged through you, which funds or proprietary documents you agree to hold in trust; (6) a breach of any Travel Condition; (7) misappropriation orconversion of(8) misrepresentation, misappropriation or misuse of CLIA's name, trademarks, or any CLIA materials provided to you for the purpose of promoting its Member Cruise Lines; or (9) any illegal activity, other wrongful or tortious conduct, or activities, policies, affiliations or associations which are harmful to the cruise industry or relationships between Member Cruise Lines and sellers of travel or prospective passengers. Failure to pay the Annual Travel Seller Fee in a timely manner will result in automatic termination of your affiliation.
- (f) YOUR RIGHTS Should an event occur which presents grounds for involuntary termination, you will be notified and given the opportunity to address the allegations prior to a declaration of involuntary termination. In the event that your affiliation actually is involuntarily terminated, you again will be notified and will be given the opportunity to receive a review and a reinstatement. The procedures for notice, review, and reinstatement are contained in the Statement of Policy and Procedure on file and available for review at the principal office of CLIA and at the offices of each Member Cruise Line.

Original Page No. A-4

- be involuntarily terminated as provided above, you agree to hold harmless the Association and any of its Member Cruise Lines and their respective officers and employees for any loss, injury or damage related to a declaration of involuntary termination. You further agree to indemnify the Association and any of its Member Cruise Lines for any losses they may sustain as a result of the loss of documents or funds for which you have responsibility. Additionally, no claim for loss, injury or damage shall be made against the Association or its Member Lines regarding any good faith communication made in connection with the processing of an application for Affiliation. The rights of the Association and its Member Cruise Lines which will affect your dealings with them as an Affiliated Travel Seller are contained in the Statement of Policy and Procedure on file and available for review at the principal office of CLIA and at the offices of each Member Cruise Line.
- (h) <u>NON-AFFILIATED TRAVEL SELLERS</u> As part of the democratic process as it may relate to restraint of trade, we both agree that we cannot debar Travel Sellers which choose not to subscribe to these Conditions and Member Cruise Line Companies from doing business with one another on any terms to which they may agree.
- (i) <u>DISPUTES</u> Any controversy or claim between the Association and a Seller of Travel on the Master List, whether arising during or after the Seller of Travel's inclusion on the master list, other than a matter submitted for Review pursuant to Sections B.3, B.4, B.5 and B.6 of the Statement of Policy and Procedure set forth in this Appendix A, shall be resolved by arbitration in the manner set forth in Article 10 of the Agreement.

A. TRAVEL SELLER FEES.

An Annual Travel Seller Fee of U.S. \$219.00, the levels of which may be changed from time to time by the Association, shall be collected for each location on or before the commencement of each fiscal year. When the Association is notified of a change in the form of ownership or in control, or the ability to control management of the Travel Seller, a new Annual Travel Seller Fee will be collected from the new owners for each Travel Seller location affected.

B. THE RIGHTS OF AFFILIATED TRAVEL SELLERS.

- 1. <u>INVOLUNTARY TERMINATION OF AFFILIATION: NOTICE AND OPPORTUNITY TO BE HEARD</u>. Should the Association determine that an event has occurred which gives rise to grounds for an involuntary termination of affiliation, the Travel Seller shall be notified of such grounds and shall be granted a reasonable opportunity to dispute the grounds for involuntary termination. Should the Association thereafter determine that involuntary termination is warranted, the Member Companies and the Travel Seller shall simultaneously be notified that affiliation has been terminated, stating the reasons therefor. Notice shall be given by certified mail, return receipt requested.
- 2. <u>EFFECT OF INVOLUNTARY TERMINATION OF AFFILIATION</u>. The involuntary termination of an Travel Seller's affiliation for any of the causes listed in Condition (e) to Conditions for Travel Seller Affiliation shall be deemed sufficient cause for cancellation and removal of the Travel Seller's name from the Master List of Sellers of Travel.

Line(s) concerned. However, should there be disputed issues of fact or law, the Travel Seller may request that the matter be referred to a more formal Review Board.

- 5. <u>REVIEW BOARD</u>. The Review Board shall consist of one representative chosen by the Travel Seller, one representative designated by the Association, and a third mutually acceptable party. If mutual acceptance cannot be obtained, the third party shall be designated by the American Arbitration Association.
 - 6. <u>DECISION</u>. The decision of the Review Board shall be final.
- 7. <u>REINSTATEMENT</u>. If, as a result of the dialogue between the Travel Seller and the Association and/or the Member Cruise Line(s) referred to above, the Travel Seller settles all claims in full, reinstatement shall be automatic. If the matter is referred to a Review Board, reinstatement shall be in accordance with the decision reached by the Review Board.
- C. <u>THE RIGHTS OF THE ASSOCIATION AND ITS MEMBER</u>
- 1. <u>RELIEF FROM RECOURSE</u>. The Association shall not be responsible for any losses caused to the Travel Seller due to any action taken by the Association pursuant to any of the Conditions for Travel Seller Affiliation.
- 2. <u>FAILURE TO ACT UPON ANY DEFAULT</u>. Such failure shall not be deemed a waiver thereof by the Association or the Member Cruise Line involved nor a general waiver of any such acts or omissions; nor shall such failure be deemed to operate as a relinquishment of rights against the Travel Seller in respect of any other acts or omissions by the Travel Seller.
- 3. <u>RIGHTS SEVERAL</u>, <u>NOT JOINT</u>. The powers, rights, privileges, immunities and duties of the Member Cruise Line Companies are several and not joint.

APPENDIX B

ORGANIZATION AND FUNDING

1. <u>ORGANIZATION</u>.

- A. <u>Managing Committee</u>. The governing body of the Association shall be the Managing Committee which shall consist of a designated representative of each Member Company who shall be empowered to act and make binding decisions on behalf of his company.
- В. Officers. A Chairman, a Vice-Chairman, four (4) At-Large Committee Members, and such other officers as may be required shall be elected from among the Member Companies by the Managing Committee and each shall serve a term of office of twenty-four (24) months and may be re-elected for one (1) continuing term, except for the Chairman, whose term of office, as Chairman, and the Vice-Chairman, whose term as Vice-Chairman, will be limited to one (1) twoyear period. The terms of office of Chairman and Vice-Chairman shall commence on July 1 of even numbered years. In the event a Chairman resigns, the Vice-Chairman will replace the outgoing Chairman, for the following term of office: (1) the remainder of the Chairman's term plus two (2) years, if the remainder of the term is less than eighteen (18) months; or (2) the remainder of the Chairman's term, if the remaining term is greater than eighteen (18) months. The terms of office of At-Large Committee Members will commence on July 1 of odd years. Only officially designated Member Line representatives are eligible for the offices of Chairman, Vice-Chairman, and At-Large Committee Member. Association shall be employed pursuant to contract terms. The President of the

C. <u>Committees</u>.

(1) <u>Executive Committee</u>. There shall be an Executive Committee comprised of the Chairman, the Vice-Chairman, the four (4) At-Large Committee Members, and the Marketing Committee's Chairman, no more than two (2) of whom may be employees or officers of the same Member Company or related Member Companies (defined as having twenty-five percent (25%) or more common ownership). The President of the Association shall be a non-voting member of the Executive Committee. The Chairman and the Vice-Chairman of the Executive

Committee may not be employees or officers of the same Member Company or related Member Companies. If, for whatever reason, more than two (2) Executive Committee positions are held by representatives of the same Member Company or related Member Companies, all but two (2) positions must be resigned immediately. Vacancy(ies) in the Executive Committee positions will be filled in accordance with the procedures applicable to resignation of the committee member as stated in paragraphs 1(B) and 1(C)(2) of this Appendix B, or, where no procedure is stated, at the next Managing Committee meeting based on Nominating Committee recommendations. In the interim, the Executive Committee will continue at a reduced level until the position is filled. The Executive Committee will oversee the Association's operating activities between meetings and will maintain the financial integrity of the approved Managing Committee Plan and Budget. Plan variances in excess of ten percent (10%) of the aggregate revenue or expense will require approval of the full Managing Committee. All policy matters will be approved by the full Managing Committee in order to become accepted policy.

Marketing Committee. There shall be a Marketing Committee, comprised of representatives of Member Companies, which will provide for geographic and product representation. The Executive Committee will appoint a Chairman of the Marketing Committee, who shall serve a term of office of twentyfour (24) months, commencing on July 1 of even numbered years. In the event of the resignation of a Marketing Committee Chairman, the Executive Committee will appoint an acting Chairman of the Marketing Committee to serve the remainder of the Chairman's term of office. All Members of the Marketing Committee may serve for successive one-year terms. Although the Managing Committee is the governing body of the Association and as such is the ultimate decision-making authority, the Marketing Committee has the authority to implement programs it has planned which have been conceptually approved by the Managing Committee. At no time may the Chairman of the Marketing Committee and the Chairman of the Executive Committee be from the same Member Company or related Member Companies. If a Corporate or voluntary personnel change creates a situation in which the previous sentence is violated, then either the Chairman of the Marketing Committee or the Chairman of the Executive Committee must resign immediately. The Nominating Committee will then nominate a candidate for action at the next Managing Committee Meeting.

- (3) Nominating Committee. There shall be, as necessary, a Nominating Committee, responsible for recommending candidates for the offices of Chairman, Vice-Chairman, and At-Large Committee Member to the Managing Committee. The Nominating Committee shall be comprised of all past Chairmen of the Association, and such additional members, selected by the Nominating Committee Chairman, as necessary to insure representation by all sizes of Member Lines. The immediate past Chairman of the Association shall serve as the Nominating Committee Chairman. Members of the Committee must be officially designated Member Line representatives.
- (4) Other Committees. Additional standing or temporary committees may be created and assigned duties by the Managing Committee or Executive Committee as considered necessary. Unless otherwise agreed, the findings of such additional committees shall be recommendatory only.
- D. <u>Staff Officers</u>. The Managing Committee may appoint Staff Officers of the Association who shall be employees of the Association. Under the direction of the Managing Committee and/or the Executive Committee and/or the Marketing Committee, as appropriate, they shall be responsible for fulfillment of such assigned duties as are consistent with the purposes of the Agreement.
- Meetings, Quorum, Decisions, Minutes. Managing Committee meetings shall be held each year at a time, date and place as At least (2) two agreed. Ordinarily, meetings will be held at the call of the Managing Committee Chairman. However, any Member Company, with the endorsement of at least two (2) other Member Companies, or a Staff Officer, with the endorsement of the Managing Committee Chairman, may request a special meeting of the Managing Committee for a special purpose. Upon receipt by a Staff Officer of such a request (or upon receipt of the Chairman's approval of a Staff Officer's request), a meeting will be convened within thirty (30) days. Every effort will be made to assure receipt by Members of docketed agenda items at least ten (10) days prior to the meeting. If agreed, additional items not docketed may be discussed. Decisive actions of the Managing Committee shall be considered confirmed when taken. Quorums shall consist of fifty-one percent (51%) of the Member Companies. Company seeking the meeting so stipulates, the meeting shall be held without a If the Member quorum. However, no action may be taken without the agreement of at least a simple majority (51%) of the total Member Companies of the Association unless

otherwise specifically provided herein. Vote may be made by proxy, but no Member Company can hold more than two (2) proxies and the Chairman cannot hold proxies. A report of all meetings of the Managing Committee within the scope of this Agreement, specifying any action taken, including action resulting from mail or telephone ballot, shall be prepared and promptly transmitted to the Federal Maritime Commission.

- 2. OPERATION AND MAINTENANCE EXPENSE. The Association's fiscal year shall coincide with the calendar year. The cost of the operation and maintenance of the Association shall be supported by annual assessment among the Member Companies, which shall be paid in advance on or before January 1 of each year, and by collection of annual fees from Sellers of Travel, both of which shall be at levels fixed by the Managing Committee. Companies joining the Association shall be guided by Article 7 of the Agreement in respect of financial responsibility.
- 3. <u>NOTICES</u>. Any period of notice provided for in the Agreement shall be given in writing and shall commence upon date of receipt.

4. <u>FINANCIAL RESPONSIBILITY</u>.

- A. The Marketing Committee will present its recommendation for an overall annual budget to the Managing Committee for its approval. Once approved, the Marketing Committee has the authority to effect lateral shifts in funding provided such shifts:
- (1) Are within the same broad activity (i.e., within the broad scope of training activities, or within the broad scope of public relations, and the like, but not from training activities to public relations, or vice versa, and the like); and
 - (2) Do not raise the level of the overall approved budget.
- B. Should the Marketing Committee discover training and/or promotional opportunities or the expansion of existing programs which it proposes to have funded after the overall budget has been approved by the Managing Committee, such funding can be assumed, provided the level of the overall budget is not increased by more than five percent (5%).

Original Page No. B-5

- C. Should such opportunities or expansions result in an increase in the level of the overall budget of more than five percent (5%), the Chairman of the Marketing Committee will issue a memorandum to the Executive Committee setting forth the amount of additional funding requested and suitable explanatory justification therefor. Provided the additional funding requested does not exceed ten percent (10%) of the overall annual budget, the Executive Committee shall, within seven (7) days from receipt of the request, advise the Chairman of the Marketing Committee of its decision.
- D. A request from the Marketing Committee Chairman to the Executive Committee for additional funding beyond ten percent (10%) of the overall annual budget shall be referred by the Executive Committee to the full Managing Committee for decision.
- E. It is understood that all requests for additional funding shall not be committed unless and until written approval has been obtained.
- F. Any additional funding required and approved will be apportioned amongst the Member Companies on the same basis as the Annual Supplemental Fee, or as may be otherwise agreed.
- G. It is further understood that the Marketing Committee's overall budget shall be regarded as an expense budget, not a revenue budget. That is, additional revenues which may be derived by way of new Member Companies or by way of investment earnings shall not be used to balance the budget nor should they be considered available for any additional spending.
- 5. <u>COMPLIANCE WITH LAW</u>. The Member Companies agree to comply with applicable governmental laws related to the operation of CLIA.
- 6. <u>MEMBER COMPANIES' FEES</u>. This glossary is to ensure a common understanding by all concerned of the several fees applicable to a CLIA Member Company. When the subject of the Members' fees is addressed either orally or in writing, use of the proper term only will assure continued understanding by all parties.
- A. <u>Admission Fee</u> A one-time charge applied to a Member Company as a "buy-in" of its equity in the Association's activities. The admission

fee must be tendered in advance of acceptance, and will be returned in the event that the applicant is not accepted as a Member Company. The Admission Fee shall be as determined from time to time by the Managing Committee. At present, the Admission Fee is U.S. \$30,000.00.

B. <u>Annual Budget/Member Line Financial Obligations</u> - Each Member Line has an obligation to pay on a timely basis its fair share of CLIA's annual Member Line Apportionment budget.

Each Member Line's total payment is based upon the sum of two components.

- (i) <u>Annual Basic Fee</u> fifty percent (50%) of CLIA's total apportionment budget is allocated equally among all existing Member Lines.
- Annual Supplemental Fee -(ii) Each Member Company's proportional share of the Association's total annual operating budget after deduction of the collective Annual Basic Fees. Such share is determined via a formula consisting of three elements, i.e., (a) number of lower beds per ship, (b) number of annual operating days per ship, and (c) percentage of annual sales expected to be made in North America per ship. The twenty percent (20%) minimum North American corporate sales requirement for membership eligibility shall be the minimum basis for the annual sales element of the formula for apportionment calculations. This fee is the second of two portions of each Member Company's Current Annual Assessment. The Annual Supplemental Fee for an applicant shall be determined as though such applicant were a Member Company for the full calendar year.

The three formula factors referred to above are interpreted as follows:

(a) <u>Total Number of Lower Beds</u> - This figure should represent the total number of lower beds indicated in the current brochure of the Member Company or Applicant.

It should not be determined by the number of beds that are expected to be sold during the calendar year. Expressions such as "Queen," "King" or "Oversize" beds are regarded as two (2) lowers and the word "Sofa" is regarded as one (1) lower. Any individual cabin has a maximum of two lower berths for CLIA apportionment purposes. The only exception would be in instances of cabin reconfigurations which have not been reflected in the Line's latest brochure.

- (b) Operating Days This figure should represent the total number of days in a calendar year during which the ship will be earning revenue via passenger occupancy, including occupancy via charter. In most instances, the figure should be three hundred and sixty-five (365) less drydock days and dead-head days or turn-around days which exceed twenty-four (24) hours and during which no passengers are embarked.
- the best estimate of the Member Company of where its sales for the calendar year will be made, i.e., the percent expected from North America (minimum 20% for all Member Lines joining CLIA after July 1, 1991) versus the percent expected from elsewhere. For purposes of this clarification, North America includes Canada, the fifty United States, Mexico, the countries of Central America and the island countries or United States possessions or territories in the Caribbean.

The annual Member Line Apportionment obligation for an applicant must be tendered in advance of acceptance to membership, and will be returned in the event that the applicant is not accepted as a Member Company.

CLIA's maximum Apportionment budget for the ensuing year will be voted on at the June Managing Committee meeting. A commitment letter notifying each Member Line of its estimated share of the Apportionment budget will be sent

by August 15. Member Lines are required to sign and return the commitment letter to CLIA by September 1. The signed commitment letter represents a binding obligation for payment, fixed as of the date of signature. Any Member Line thereafter withdrawing or being expelled from membership will continue to be responsible for payment of the amount stated therein.

Full payment of a Member Line's Apportionment obligation is due by January 15 of a new fiscal year. Late payees will be charged a monthly penalty at one (1) percentage point over the existing prime rate. Any Member Lines who have not paid their Apportionment obligations in full by February 15 will be expelled automatically from membership and will not be included in any of the year's subsequent promotional materials or activities.

C. <u>Current Annual Assessment Adjustments</u> - At the close of each calendar year each Member Company will advise the Association of any changes during the year just ended in respect of the number of lower beds per ship, the number of annual operating days per ship, and the percentage of sales per ship actually made in North America, minimum twenty percent (20%) for all Member Lines joining CLIA after July 1, 1991 (versus the expected percentage). The Association will recalculate each Member Company's Current Annual Assessment and will apply a credit or debit, as appropriate, to the Current Annual Assessments for the ensuing calendar year. The Current Annual Assessment of an applicant cruise company will not be adjusted during its first partial year of Membership.
